## PERMIT RULES

**Please note:** Each PPQ 599 U.S. Customs Permit can only be used once. They each have unique barcodes and label numbers.

1. Pack your samples into a shipping container per our instructions found at:  
<http://earthfort.com/wp-content/uploads/2015/03/Intl-mailing-instructs.pdf>
2. Fill out Earthfort's International Testing Order form and enclose it inside the package WITH the samples.  
[http://earthfort.com/wp-content/uploads/2016/03/Earthfort\\_INTLtestingform-2016.pdf](http://earthfort.com/wp-content/uploads/2016/03/Earthfort_INTLtestingform-2016.pdf)
3. Inside the box, you must also put a prepaid shipping label from the USDA to Earthfort, (these addresses are located in the upper right corner of the Earthfort's International testing Form.) The USDA will affix this second shipping label to the box after inspection and send the package onto Earthfort. Note: If your shipping is not pre-paid, you will be billed for the transit between the USDA and Earthfort.
4. Permit(s) must be printed in **color**.
5. One permit should be affixed to the outside of shipping container.
6. You must ship to the USDA in San Francisco, CA (address on permit) where it will be inspected.
7. Please email the tracking number to [info@earthfort.com](mailto:info@earthfort.com) so we can follow up on the package if need be.

Failure to package samples properly and/or include all paperwork as listed above can cause shipping delays or even return of the package to you. We're here to help! If you have any questions or if you need to request a PPQ 599 Permit be sent to you, please call us at 541-257-2612.

Thank you,  
the Earthfort Team
